Service Address: \_\_\_\_\_

Proposed Use of Property: \_\_\_\_\_

System development charges, connection charges, and inspection fees are established by the District Board and are due in full prior to installation of the sewer connection.

System Development Charge \$ \_\_\_\_\_ Date Paid \_\_\_\_\_

District Connection Charge \$ \_\_\_\_\_ Date Paid \_\_\_\_\_

Inspection Fee \$ \_\_\_\_\_ Date Paid \_\_\_\_\_

**NOTICE:** Connection to the Sanitary District's collection system will be provided within the District's utility easement area, which generally is location in the County right-of-way. The District will locate the area of the service connection and will allow the connection after all of the following have occurred: **1) the application has been submitted and approved and 2) all charges and fees are paid (inspection fee; connection charge; and system development charge).** The line from the dwelling (or other structures that require connection to the system) to the point of connection to the system **must be inspected by the District prior to backfilling.** (This is in addition to the County required inspection.) **IF YOU FAIL TO HAVE THIS INSPECTION DONE, A \$500.00 PENALTY WILL BE INCURRED FOR VIOLATION OF SEWER SYSTEM REGULATIONS.**

Applicant acknowledges and agrees that, as of the first of the month following payment of the inspection fee, connection charge, and system development charge, applicant WILL be responsible for the monthly sewer service user charge. Applicant agrees that the full amount of the sewer service user charge is due, even if the sewer system or service is not being used at the property. Applicant/Owner further acknowledges and agrees that these monthly amounts and other amounts due to the District may be collected by the Deschutes County Assessor's office, pursuant to ORS 454.225, or imposed as a lien on the Property.
